

Update Transfer Plan Guide

1. Click on burger icon on the top-right hand corner

2. Click on "Manage Funds"

3. Click on "Add Funds"

4. Click on "Edit"

5. Edit the currency and amount then hit "Save and proceed to transfer"

- 6. You will receive a pop-up if you have confirmed the transaction previously
 - a. You may continue to edit your transfer plan if **Syfe has not received your funds** in our Syfe account and your incoming transfer will be split according to the new transfer plan
 - i. Click on "Edit" to proceed

- b. You are **not allowed to edit** your transfer plan if **Syfe has received your previous deposit** and the funds are currently under process. It usually takes **1 business day** to process your transfer. You will be allowed to edit your transfer plan once the previous deposit has been invested into your portfolio.
 - i. Click "I understand" to back to the Home page

I understand

7. Transfer to the bank account according to the bank account details then hit "I have transferred"
