

Introducing Singapore's first fully-customisable ETF portfolio builder with no minimum investment, no lock-ups and automatic dividends reinvesting.

Designed to complement Syfe's Core portfolios, Syfe Select allows investors to build their wealth by themes which reflect some of the world's largest mega trends, or a fully DIY portfolio featuring 100+ best-in-class ETFs.

Fully-DIY custom portfolio

Pick up to 8 ETFs in a portfolio. Dividends will be reinvested

Features 100+ best-in-class ETFs from top international fund management firms

See historical returns of the portfolio you created

Dynamically adjust allocations based on ETFs' past returns, exposure and risks

Thematic investing is all about identifying powerful, long-term global trends that could shape our future. Syfe's investment team has identified a number of transformative forces that are poised to reshape our world so that investors can position their portfolios to capitalise on these trends.

ESG & Clean Energy
Invest in a more sustainable future with focus on ESG, clean energy and water sustainability

Disruptive Technology
Features ARK funds & more which are shaping the future of technology from robotics, gaming, cloud computing

Healthcare Innovation
Capture the latest healthcare opportunities in genomics, biotechnology and pharmaceuticals

Global Income
Highly diversified global bonds portfolio which offer high yields at 4.25% p.a. on average

China Growth
Capitalise on China's new economy sectors such as rising consumer class and fast-moving internet

Thematic investing is an exciting approach, but it should be used to complement, not replace, your current investments. This is also known as core-satellite investing, a strategy Syfe often recommends to its clients.

- ✓ No minimum investment amount
- ✓ No lock-ins
- ✓ Free dividend reinvestment
- ✓ Unlimited, free withdrawals
- ✓ Low fees starting from 0.35%
